# Signs and Guideposts

**Set up road signs; put up guideposts. Take note of the highway, the road that you take.** Jer 31:21

Just back from India, I am still taking note of the 'highway' on which the Lord is leading both me and Heavenfire in these days of restored and increased ministry there.

**SIGNS** (and wonders!) are shown in ever-increasing numbers as Jesus confirms his word through works he has prepared in advance for me to do on this mission field (Mk 16:20, Eph 2:10). I don't record most miracles now, because there are simply so many. Every church meeting & street outreach & every village walkabout results in people being healed, delivered, and adopted through faith into the family Christ! This is the church we're a part of today!

Benny, the teenage boy, received clear **sight** in his right eye, damaged as a child when he fell from a balcony. A woman with diagnosed **throat cancer** had her burning pain healed. An elderly lady's **paralysed arm** was re-

stored. One frail old woman was doubled up so much I thought she was bending to touch my feet (a common honour). Her **back** immediately **straightened**. The look on her face was

sheer ecstasy, yet it was nothing compared to the amazement on the faces of the village folk who knew her!

There was joy in discovering the **pregnancy** of a woman, for 8 years unable to conceive, after I had ministered to her last October. Then there was Alex, my hosts' teenage son, who was **diagnosed with typhoid** after my arrival. During ministry, the fever immediately left him and did not return at all during the week

of my stay. These, and so many more miracles, point to the **free gift of salvation** in Jesus!

So many times, people who receiving healing or deliverance gave totally unprompted **testimony to seeing 'fire'**, 'brilliant light like the sun', 'dazzling torch-light', 'lightning', or such - even without the name of 'Heavenfire' ever being mentioned!

fact her whole demeanour, was changed - alert, bright, and joyful! (pic below)

The **GUIDEPOSTS** that Heavenfire puts up are the believers who we encourage, empower, and evangelise. On this occasion **two conferences for pastors** were hosted, with fresh & timely bible teaching on aspects of *fire from heaven*. We're delighted with the **progress** of 'our' pastors and with the churches they lead. We never lose sight of the fact that the church of Jesus Christ is an **all-member ministry** and priesthood of *all* believers. Some of our churches show **phenomenal growth**. One of our new churches, only 3 years old, now numbers **over 200 people!**

**Old adversaries** (false gods and demons) were driven out with a word (Mt 8:16). One high-caste woman came to an outreach in a village new to us. She looked drugged, in a stupor. Recognising *tia-tha* (bindings) of demons tied around her wrist I **drove the demons out**, but still I saw another 'god', Ayapa, in her eyes. After setting the woman free, she testified 'previously I worshiped previously I worshiped Ayapa! Her eyes, in

On the latest visit to this village, **20 new believers** requested baptism. Amongst these was a Hindu man was sent to me by a teenage girl who I led to faith and baptised last October. The man had stomach and lung problems that hospital operations and Hindu 'gods' could not cure. As I gave him healing in the name of Jesus, he and his daughters committed their lives to Christ. He brought his extended family to the next church meeting, and they too came to new birth!

**One of the 'ROADS' Heavenfire might now take is to set up a Child Day Care Centre.** I had the privilege of meeting a Village President and Elders, who have offered us a building (*right*) in a remote rural village, so we can establish a new ministry to children. Orphaned and underprivileged children will live with local families (relatives if possible) whilst at the Centre we'll provide breakfast, after-school dinner, school equipment and clothing with love and Christian nurture. This venture is still being prayerfully explored, so **if you feel it right to support it, please get in touch soon!**

This is a time for me - perhaps for us all - to take note of the road ahead. **New territories and opportunities** are opening up to Heavenfire by God's grace. Some are with **old friends** such as Hareth, my first interpreter in India, who until last month I hadn't seen since 2000. Others are with **new friends**, like the pastor of the 1500-strong seaside church that I was unexpectedly asked to preach to immediately on my arrival after a traumatic car journey! Such are the joys and privileges of mission-field ministry! Why not join us in reaping the rewards?

## CHILD CARE

*'the kingdom of heaven belongs to such as these'* (Mt 19:14). As far as possible, we aim to support needy children in their home, but where there is need our partners also operate well-run, loving, children's care centres. Here they clothe, feed, and help to educate children whose parents are unable or unwilling to do so. Sponsor a child for **just £7 a month!!**

### Reason to celebrate!

For the needy children of two villages we also have a programme of regularly providing a special celebration meal (see photo, above) for kids who otherwise would live on very meagre food. We'd like to expand this programme to other villages with your help! Feed 50 children for **just £10!!**

## SUPPORT A PASTOR

For as little as £10 per month (£25 provides full income), sponsor a Pastor. or a student leaving bible college. Know the joy of helping plant a new church. You'll receive photos & news, as well as abundant thanks and prayers, from 'your' sponsored church. Why not join with a friend for this, or even make it your church project! Specify '**Pastors'**
