

An open door! *news from the latest groundbreaking mission*

Preaching Salvation

21 messages in 18 days ... big-city Hyderabad and remote coastal villages ... 2 pastors' conferences. This wasn't as busy as in previous years, as I wanted to make more time to listen and to talk with our Father and with our local co-workers. More than two years since I was last allowed into India, God re-opened the door for Heavenfire's return. On the way Jehovah Jireh **upgraded me to Business Class** for free on the last leg of the flight, saying "I have plans for you, Son!". Truly, this is a door for our message that no one can close! (Col 4:3, Rev 3:8)

I wanted to assess the progress of our pastors and their 20 new churches before getting too much into outreach ministry. Yet Hindus and Moslems also came to church meetings out of curiosity or to seek healing and deliverance. Many made decisions to accept Jesus as Lord, and were baptised in the sea or rivers. Never an hour went by without people coming to seek prayer or healing wherever we were staying.

Performing Miracles

As always, healing and release from demonic oppression was commonplace, and so numerous as to be impossible to record. In the words of one pastor "[the] glory of God is being revealed

every where ... in fact, **the blind saw, the dumb heard, the diseased were healed** for permanent cure of their pains."

I remember one elderly woman seeking prayer on behalf of her adult son, who lay totally paralysed in bed. Like the centurion who brought a similar request to Jesus (Luke 7:5-13) she returned home to find her son moving. The next night

he walked to church and joyfully received more health and strength! On page 2 you can read some testimonies given.

Baptising with Fire

Baptism in the Holy Spirit is familiar to most of our partner-churches, but the first description in the New Testament about the ministry of Jesus talks about him baptising **"with the Holy Spirit and with fire"** (Mt 3:11). I witnessed hun-

food, and education for these little ones. We held a memorable celebration feast for 130 kids, part of a new monthly programme.

Christ's Ambassador

I had expected new doors to open for this ministry after so long out of the harvest field. I wasn't wrong. After days of spiritual and administrative struggle with the authorities in Hyderabad, I obtained permits that allow me to **officially carry out the work of encouragement, empowerment, evangelism** and charitable works amongst the poor and needy. YES, you read it right - Government permission (subject to due caution and tact) to preach and teach the Good News of Jesus Christ and to come against the demons of false religion. **The work has only just begun!**

Baptism party gathers by the river

dreds of pastors and people of their churches receive the baptism of fire in encounters with God such as they had never felt before. This really seems to be a new time for the 'heavenfire' message to set light to ready fuel in India!

Care for Children

There's always great need for children in India to be lovingly nurtured, so we continue to provide clothing,

TESTIMONIES JUST IN

BREAST TUMOURS DISAPPEARED: Kalyani, woman age 24. For 2 years I have been suffering from breast pain caused by tumours. The medical practitioner told me it has to be removed by surgery, but it is very expensive and my father cannot bear the expenditure due to our poverty. I was astonished by power released from the hands of Brother Chris when he touched my body. Now I am so happy because there is no tumour in my breast and I am far from the fear of surgery.

DEAF & DUMB HEALED: Suresh, male age 5 years.

I am the mother of Suresh, who was deaf and dumb from birth. I took my son to Brother Chris. It's a wonder that my son spoke! Really this is the mercy of God! Now I decided to bring up my child in Christ.

SUPPORT A PASTOR

For as little as £10 per month (£25 provides full income), sponsor a Pastor. Perhaps someone like Isaac (right), who is seeing rapid growth in his 2 churches since receiving support, or a student leaving bible college. Or know the joy of planting of a new

church (left). You'll receive photos & news, as well as abundant thanks and prayers, from 'your' sponsored pastor. Why not join with a friend for this, or even make it a church project! Specify 'Pastors'

KNEE PAIN HEALED: Gavamma (see photo over) female age 45 I had been suffering from pain due to orthopedic disorder in the knee. I told the pastor that I can't attend the meeting due to severe pain, but he promised me "you will surely be healed from your knee pain." Keeping faith on his words, I attended the meeting with the help of four people around me. When brother Chris prayed and touched my body I astonished for seeing a great lighting around him. Then I could able to [move] my leg very freely. It's not only wonders but also a miracle in my life. Praise the Lord!

CARING FOR CHILDREN Help children like Ashvini (left)

'the kingdom of heaven belongs to such as these' (Mt 19:14). As far as possible, we aim to support needy children in their home, but where there is need our partners also operate well-run, loving, children's care centres. Here they clothe, feed, and educate children whose parents are unable or unwilling to do so. For the needy children of two villages we also have a regular programme of providing a special celebration meal (see photo, right). We'd very much like to expand this programme with your help!
